

Milwaukee Veterinary Medical Association

Annual Membership Application

For well over 60 years, the Milwaukee Veterinary Medical Association has provided its members with services and programs to meet the changing needs of the veterinary profession. The MVMA brings top quality professional education opportunities to its members, which can be used for Wisconsin state licensure continuing education requirements. Our website (www.sewvma.org) keeps members up to date on the goings on within our organization.

Our continuing education certificates can be used by certified veterinary technicians for their state licensure requirements. Your veterinary technicians are welcome to join our organization as well, for ½ the dues amount for veterinarians.

DUES

The 2018 dues for the MVMA are only **\$60** for veterinarians and **\$30** for technicians. Membership includes eight monthly meetings and C.E. certificates, and a reduced rate for MVMA day seminars. Non-members must pay \$25.00 per meeting if the meeting is not sponsored. Please remit by January 31, 2018.
